

Mission For The Week

Vision Christian Media

This is a Christian mission running Christian radio Australia-wide connecting Outback communities.

This organisation reached countless people who would otherwise have no connection with the Word of God.

They not only connect with people through radio, but also with the written word in the form of "Word For Today" (which many of us read daily) and by email and other electronic methods.

During this month they are working on a fresh look and feel that new websites will make use of the latest technology to be mobile and tablet friendly, so that all will be able to access and share more trusted Christian media with family and friends.

They ask sincerely for your prayers in this project and donations can be made by phone on 1800007770 or online www.vision.org.au/donate

Although we do not have Vision radio here in Launceston, we do have Way-FM, which I'm sure many of you listen to and benefit greatly from. They would also appreciate your prayer and financial support www.wayfm.org.au

Do you have a mission you would like to include here?
