

MONDAY PRAYERS - 30th May

Dear Friends,
Amongst all the things that happened last week was a whole day meeting of the Diocesan Mission Support Team – Bishops, Mission Support Officers, Dean, Director of Ministry Services and the Registrar in Ross. We had a great day praying, planning and discussing lots of different strategic matters. They are a terrific team, and we had a very creative and inspiring day together. On Sunday I worshipped with a throng of baptism visitors and locals in the Parish of Brighton at St Mark's Pontville.

Give thanks to God:

- For the DMST – for all they do in supporting the mission of the Diocese.
- For the parish of Brighton, and for their faithful ministry.
- For the opportunity to gather this coming week for our Diocesan Synod.

Please pray:

- For growth in the mission of the Diocese; that many more people will become disciples of the Lord Jesus through our ministry.
- That our leadership team would work well together and truly stimulate mission.
- For the Parish of Brighton, especially as we work out how to reach the growing population of that area with new ministry.
- That our Synod meeting this coming Friday and Saturday would be filled with joy and excitement for our mission together. Pray that God would lead us in the right direction.

Warm wishes in Christ,
Richard

MONDAY PRAYERS - 23rd May

Dear Friends,

I spent most of last week in Launceston, visiting clergy, the Riverlinks team and Launceston Church Grammar School, as well as Holy Trinity on Saturday night for baptisms and confirmations and St John's on Sunday.

Please give thanks for:

- The vibrant ministry work that is going on in our parishes in the Launceston area and the faithful clergy and local ministry teams who lead them.
- Launceston Church Grammar School, the Principal, Chaplain, and staff who provide such a great education

Please pray:

- For Stephen Norris (Principal of LCGS), Paul Grayston (chaplain) and the staff. Pray that the students of the school would encounter the claims of Christ, and Christian students encouraged to follow him there, as they learn about life. Pray for the Board, and a good appointment for a vacancy on it.
- That God would encourage and grow the Riverlinks team, and refresh them.
- For the Saturday family service at Holy Trinity Launceston that young people and families would grow in Christ.
- For Warwick Cuthbertson to finish his ministry at Holy Trinity well and for God to raise up a new Incumbent.
- For the Parish of St John's as they grapple with addressing their site masterplan, and as they develop a new ministry Vision for the next 5 years. Pray for lots of creative thinking that will have gospel fruit.

And finally please pray for clergy gathering today in Launceston (St John's) and Hobart (Wellspring) for the Nexus ministry conference video-cast.
